

Travel Protection Plan Waiver

Your travel provider strongly recommends that you purchase a Travelex Travel Protection Plan to protect your trip investment and yourself while traveling. If you choose not to purchase a plan, please sign this waiver and return it to your travel provider.

Before signing this waiver and departing on your trip, consider these questions:

- Does your insurance cover you outside the U.S.?
- Can you afford to be medically evacuated?
- What if your baggage is lost, stolen or delayed?

Medical evacuation, trip cancellation, trip interruption and baggage are all important coverages available from Travelex. To learn more:

I have been advised that a Travelex Travel Protection Plan is available and strongly recommended. I **do not** wish to purchase this protection.
